IRIS GP Payroll

Simple, accurate and reliable payroll software for GPs

IRIS GP Payroll has been developed by the payroll experts here at IRIS who understand the unique requirements GP practices manage with their payroll. IRIS GP Payroll handles all of the NHS Pension Scheme requirements. The software also provides a central location for storing important employee records for areas such as training, annual leave and health & safety.

Reliability

More than 4,500 satisfied GP practices rely on IRIS GP Payroll to run their payroll. It is designed to be user-friendly so it's quick and easy to learn, and no previous payroll experience is necessary.

Unique functionality

Unlike other off-the-shelf payroll solutions, IRIS GP Payroll handles all of the NHS Pension Scheme requirements as well as providing extra facilities for salaried doctors. Auto Enrolment allows the user to control whether an employee should be enrolled into NHS Pension Scheme or into an Alternative Scheme.

Integrate and save more

IRIS GP Payroll integrates with IRIS GP Accounts to save you time. The unique 'paylink facility' provides an easy way to import your payroll information directly into your accounts system, quickly and accurately.
