IRIS INSPIRE

Monthly Newsletter
February Edition

Welcome to the February edition of IRIS Inspire!

We hope you enjoyed our January edition and are excited to share this month's insights with you.

This month we are focusing on Payroll. As Payroll Year End closes in and the perpetual stress begins to linger, it's time to ensure that not only your staff are up to date, but your processes and systems are too.

We'll touch on PYE training, payroll webinars and how to unlock your power through our blogs and podcasts.

Happy reading!
The IRIS Commercial Sector Team.

Payroll Year End Training

Payroll Year End puts additional strain on payroll professionals. Getting it right the first time is crucial, but can be difficult for both veterans and novices given the current climate and everchanging legislation.

From just £250+VAT, our Payroll Year End training packages are designed to help you explore the full potential of your IRIS software and ensure you have access to the tools you need to get it right, first time, every time.

IRIS Year-End Help Hub:

Introducing the newly launched IRIS Year-End Hub, a place for everyone to get help fast, and search for answers to all your year-end questions.
We have tried to ensure the process is as clear and simple as possible for each product.

If you run a weekly, 2-weekly or 4-weekly payroll you might find you need to complete an additional period after week 52 to finish your PAYE tax year.
