Customer testimonial

Howards Accountants has implemented a four day working week with support from IRIS Outsourcing

Howards Accountants has implemented a four day working week with support from IRIS Outsourcing.

"The turnaround and quality of the work we've outsourced have been beyond what we expected, so that's been a very positive experience. We're really impressed. Tax returns were even done over the festive period, I could see it happening from my phone and they were just flying through. The quality of the work has genuinely been really high."

Accountex

We had an absolute blast this year at Accountex! We launched our new Hybrid by Design concept in London and hosted a sensational afterparty on a boat, attended by VIPs, with Chris Moyles on the decks.

Meanwhile, in Manchester, we proudly served as the Official Antidote for Accountants & Bookkeepers, guiding professionals through the App-ocalypse to save them from app overload.

Catch us at Accountex in 2024— we're determined to make next year even more unforgettable than the last!

Get the best of both worlds without compromise

With IRIS, you can handle both simple and complex compliance tasks effortlessly in a single platform. You will have a single client list that seamlessly syncs between desktop **and** cloud, providing the best of both worlds. This not only saves you time but also allows you to provide exceptional services to your clients. This enables you to be on the top of your deadlines and simplify your client onboarding while reducing non chargeable time when doing so.

Having all the information in one place, without the need to re-key it multiple times, which saves you time and reduces the likelihood of error. Bring the joy into client onboarding and improve your profitability at the same time. Have a peace of mind knowing you can work safely and securely from anywhere at anytime without compromising on quality of software that you are using and reliability of secure connection.
