

January 2024

Explore valuable accountancy insights, information and updates to enhance your practice

Happy New Year and welcome to the January Edition of the IRIS Insider! We hope you had a well-deserved break this festive season and enjoyed some quality time with your loved ones.

As the Official Supporter of Accountants & Bookkeepers, we're always here to support you, and we understand even the festive period can be stressful with the self-assessment deadline looming. We're here to offer you that extra pair of hands to help with your Tax Returns this busy season, so why not have a look at IRIS Outsourcing. This will enable you to free up some time to concentrate on higher fee-earning work and client care, and meet the changing needs of your business.

We hope you enjoy this month's edition filled with tips, free webinars and expert industry insights. So, grab yourself a cuppa and let's start 2024 off with a bang!

-Morris Crocker Chartered Accountants

Morris Crocker Chartered Accountants cyberattack

Following a cyberattack in 2018, Morris Crocker Chartered Accountants were keen to move to a hosted server platform to update and improve their security.

"Any software migration can be a stressful task, but the team at IRIS gave us such confidence that it would be a seamless move and it absolutely was. We are now robustly cybersafe, secure, and using the latest hosting technology."

IRIS Anywhere's complete market-leading package gives you sophisticated cybersecurity, bolstered business continuity, effective remote working, and dependable hardware management - all customisable for your organisation.
