IRIS Insider

June 2024

Explore valuable accountancy insights, information and updates to enhance your practice

Welcome to the June edition of the IRIS Insider! With spring nearly over and summer fast approaching, we're here to help you prepare your practice for the summer season. Get a head start now so you can relax by the pool or campfire knowing your practice is operating smoothly.

Another shout out and big thank you to everyone who visited our stand at Accountex. It was wonderful to see so many of you and we hope you enjoyed our stand as much as we did! Our drinks reception and afterparty at The Fox were fantastic. It was great to see everyone unwind after a busy of networking.

We hope you enjoy this month's edition filled with tips, free webinars and expert industry insights. So, grab yourself an iced beverage and dive straight in!

What's coming up in June?

June webinars

We have some great webinars coming up in June that you won't want to miss! We've got an IRIS Elements webinar this week and AML and IRIS Outsourcing webinars later in the month. Don't worry if you can't watch our webinars at the live time of 11am on the day, you can register anyway and we'll send you a recording to watch in your own time. Not only do we have upcoming webinars but we also have an array <u>on-demand</u> you can watch. Most recently, we held a webinar on how to make the most of your IRIS software which was a good one!

Strategy, security and growth aspiration

How accountants feel about their strategy, security and growth aspirations in 2024

So far, this year's been a whirlwind. With 2024 well underway, we took some time to speak with our customer base. Our team have travelled from one end of the UK to the other, meeting clients face-to-face in our ever-popular roadshows. The result has been many brilliant, engaging conversations with professionals who've provided some very valuable insights.
