

October 2024

Explore valuable accountancy insights, information and updates to enhance your practice

Welcome to your October newsletter!

It was great to see everyone at Accountex Manchester last month. You're the reason we're here, and we were incredibly grateful for the chance to see you before the summer weather made its exit.

But now, the leaves are turning orange, and soon, pumpkins will appear in windows everywhere. This can mean only one thing... Halloween is almost here! It's an excellent time to ask yourself: what horrors keep you up at night? Is it the constant creep of AML anxiety, the monster that is MTD, or the terror of tax season shuffling (slowly but surely) towards you?

Either way, we have a range of blogs, webinars and other fantastic articles to help you – all the tricks of the trade to ensure October goes down a treat.

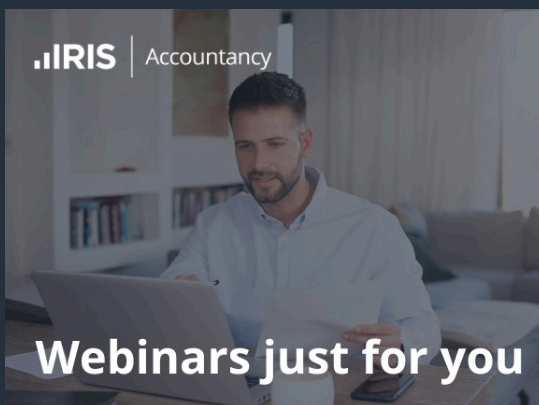

Episode 2 is here next week!

We hosted our first episode of our IRIS*Certified* series, whereby our expert Andrew Parker discussed how you can make tax season less taxing. Don't worry if you missed it, because you can watch it [here](#) at a time that suits you.

Not only that, as promised, we're providing you with a new episode each month. The next one is on Thursday 10 October at 11am and this will cover top tips on making the most of IRIS OpenSpace. It's not one to be missed!
