

## December 2024

Explore valuable accountancy insights, information and updates to enhance your practice

### Welcome to the December edition of the Insider!

We hope you're ready and wrapped up for the winter weather! Speaking of being wrapped up, we're here to wrap our arms around you this tax season and make it as stress-free as possible. We know peak tax season is just around the corner, which is why we've created a page with lots of useful and free resources for you to take advantage of. Find out more below.

In this newsletter, you'll find valuable links to blogs, webinars, and articles designed to boost your experience with IRIS, so grab a hot drink and dive in!

### Turning Busy Season Challenges into Growth Opportunities

Did you watch our recent online event with Steve Cox, Lucy Cohen, Companies House and HMRC?

It was an insightful session packed with practical strategies to help firms like yours tackle busy season challenges and thrive amidst industry changes.

Our panel of experts covered lots of things, from understanding industry changes to actionable solutions and growth opportunities, it wasn't one to be missed!

Don't worry if you did miss it, you can watch it on-demand at your leisure below!

### Have a podium-perfect finish this tax season

Peak tax season is here, and we understand how stressful it can be which is why we're here to support you every step of the way. As the Official Supporter of Accountants and Bookkeepers, we've created lots of resources to help you through each stage of tax season. Not only have we got a few LinkedIn lives coming up with our accountancy expert Eva Mrazikova and product experts, we've also produced a guide and a blog for peak tax season.

The guide provides practical tips and quick fixes to help navigate the busiest period effectively, and the blog explores different ways to tackle the toughest months of tax season.

Take a look and make this tax season the best one yet!
