

## November 2024

Explore valuable accountancy insights, information and updates to enhance your practice

Welcome to the November edition of the Insider!

As the Official Supporters of Accountants & Bookkeepers we're here to support you all year round but especially during busy season. Take a look [here](#) as our Managing Director of Accountancy, Mark Chambers discusses how we can support you during busy season with useful resources to help you make this year the best one yet.

In this newsletter, you'll discover helpful links to blogs, webinars, and articles designed to enhance your experience with IRIS!

### Navigating the UK Accounting Landscape: Turning Busy Season Challenges into Growth Opportunities

Join us for our upcoming exclusive event, where our panel of special guests, **Lucy Cohen, HMRC & Companies House** discuss best practice for navigating current complexities of the UK accounting landscape; focusing on MTD, the latest Economic Crime Bill, AML and more.

This session will provide actionable strategies for overcoming this year's busy season challenges and insights on leveraging technology while preserving the essential human touch in compliance and advisory services from industry leaders.

Don't miss this opportunity for valuable discussions and practical advice!

### Tax season: you've trained for it...now, prepare for it

Without the right preparation, tax season can become 'busy season' for accountants.

But what if you could get ahead of the game? What if you could cross the finish line next January feeling like a winner rather than a survivor?

That's where IRIS comes in. See how we can support you, and turn this tax season into the most successful one yet!

We have a [quiz](#), [blog](#), [guide](#) and so much more to help you get ahead this tax season, take a look!
