

May 2025

Explore valuable accountancy insights, information and updates to enhance your practice

Welcome to the May edition of the Insider!

Welcome to the May edition of the **IRIS Insider**! As we step into a brand new financial year, now is the perfect time to look ahead, embrace new opportunities, and make meaningful improvements to your practice. And if you're still getting up to speed, don't worry, we're here to support you every step of the way.

This month, we're packed with updates to help you stay compliant, efficient, and future-ready. From the latest on **IRIS Elements** and **Making Tax Digital**, to insightful webinars and success stories, there's something for everyone.

Thank you for being part of our journey, we're excited for what this new financial year brings and can't wait to share it with you.

IRIS Elements Quarterly Update

Join us for our next IRIS Elements Quarterly Update webinar, where we'll explore the latest product updates, MTD ITSA developments, and how our solutions keep you compliant. Get exclusive insights, hear from our expert panel, and see how IRIS Elements is evolving to support your practice.

Paddenburg & Co embrace MTD with IRIS Accountancy Suite

Paddenburg & Co has been serving the Brighton community for over 40 years with accountancy, tax advice, and bookkeeping services. They recently made history as the first IRIS Accountancy Suite users to be set up to file via Making Tax Digital (MTD) for Income Tax and Self-Assessment (ITSA).

Nick Paddenburg, Director of Paddenburg & Co, says, "This milestone marks a new era of digital tax filing, paving the way for a smarter, faster, and more efficient future for accountants and taxpayers alike!"

Do you have some Making Tax Digital questions? You're not alone!
